REFERENCE: 12 DAY PRE-PRIMARY REPORT (04/01/2014 - 06/04/2014)

Dear Ms. Sugarman,

This statement serves to provide a preliminary response to the Commission's letter dated July 15, 2014. Upon an initial review by the Committee of your letter, it has come to our attention that the election designations for some of the contributions for individuals and political committees were misreported due to a data upload error. The Committee will review the matter and respond as soon as possible with an appropriate Amendment and Form 99 to address all three items in your letter. We will respond in the next few days.

The Committee thanks you for the opportunity to clarify the public record.

Sincerely,  
Bradley T. Crate  
Treasurer
